PROFF LINE STEEL

U-profiles for PVC board profiles...

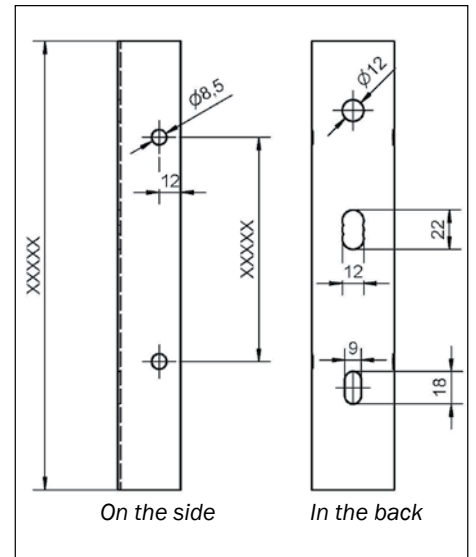

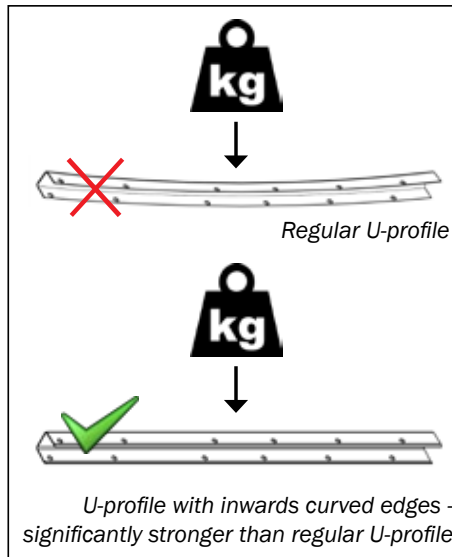

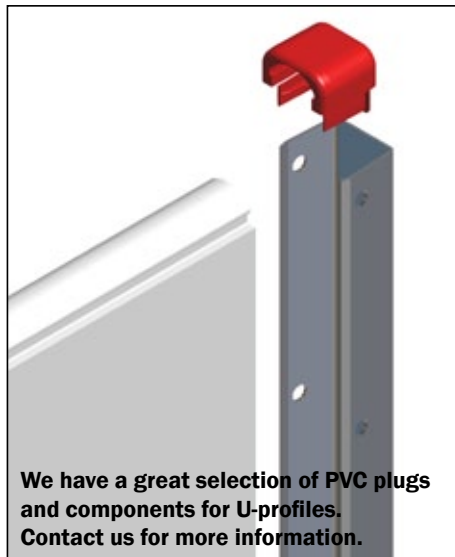

PROFF LINE STEEL U-profile is made of durable stainless steel and has inwards curved edges, which ensures additional stability and minimizes the risk of dirt penetration. ACO FUNKI's U-profile is the perfect solution for your stable, as you - at the same time with high quality and durability - also get a very attractive price.

Material thickness
1,5 mm

- ✓ **TIGHT FIT**
- ✓ **NO SHARP EDGES**
- ✓ **ATTRACTIVE PRICE**
