| INN-O-CRATE® |

Traditional farrowing crate with multi-adjustable sides

INN-O-CRATE® is our traditional farrowing crate, which can be adjusted according to the size of the sow. The front of the crate can be mounted in 5 different positions and the rear part can by means of the rear gate be adjusted by almost 30 cm!
The rounded design takes care of the sows' rear part and provides plenty of room during the farrowing. The tiltable wings make it easy for the sow to get up and protect the piglets, when the sow lies down.

FACTS - FARROWING PEN AND CRATE

Pen length:	260/270 cm
Pen width:	160/170/180 cm

INN-O-CORNER PIGLET NEST

DRINKING CUP VIP-O-MAT

DRINKER FOR PIGLETS

SOW TROUGH, STAINLESS STEEL

- Smooth, easy to clean surfaces and rounded corners minimize the risk of accumulating dirt
- Strong and well tested construction, based on optimum overview and accessibility for the employees

- VIP-O-MAT: cast solid and stainless steel combination - easy to clean and empty
- Drinker for piglets: complete with hoses and fittings for the water supply

- The design and the mounting of the trough allow limited or no concreting, letting the sow use the space underneath
- Farrowing crate is available with tiltable trough, which makes it easy to empty the trough
