

ACO FUNKI develops and manufactures a complete product range within pen equipment, feeding systems, flooring and troughs for pig farms. ACO FUNKI is a part of ACO Group, a world market leader in drainage technology with an annual turnover in excess of 750 million Euro. ACO Group has about 4,800 employees in 40 different countries. ACO FUNKI has about 135 employees located in the headquarter in Herning, Denmark, as well as in Germany, France, Spain, Poland, Russia and China.

As a result of our growth strategy, the company is now looking for a new committed Spanish speaking Sales Assistant.

## SALES ASSISTANT - SPANISH SPEAKING

**Asistente en ventas**

**Pig farming equipment**

### About the job

Based in our headquarters in Herning and referring to our Project and Logistics Manager, you will join our sales team and process customer and distributor orders. Your work will be varied and exciting with extensive internal and external contact in Spanish and English language. Our sales and technical teams have many years of experience and will assist you in your daily work. Some travelling days may be anticipated.

### We expect from you

- You have a relevant education, for instance in international sales
- You are service minded
- You speak Spanish and English fluently
- You are an experienced MS-Office user
- Basic knowledge of AutoCad will be an advantage
- Knowledge of agricultural industry is an advantage but not a must
- Knowledge of Latin American culture and mentality is an advantage

### Personal skills

- You are dependable and persistent in your work
- You work in a structured way and are able to meet with deadlines
- You are flexible and adapt to new tasks quickly
- You are willing to take responsibility
- You are a team player
- You consider a good sense of humor to be important for a nice working environment

### Contact details for further information

We process all applications continuously so please send your application in English as soon as possible.

Please contact Thomas Hauge, Project and Logistics Manager, ph. 2372 4140 or e-mail [thauge@acofunki.dk](mailto:thauge@acofunki.dk) for further information.

**Please, address your application and CV in English to Thomas Hauge.**
